Mrs. Ternstrom,

This letter responds to your July 27, 2019, Freedom Of Information Act (FOIA) request, assigned Case number DLA-LANDM-2019-003356 requesting, "... records for any government contract solicitations by Leya Technology out of Gardena California. Cage code number 7RH67. I would like all records and or documents that this company attempted to receive government contracts to repair or overhaul aircraft parts."

Your request does not identify specific records or documents you are requesting and must identified specific records or documents for us to process your request. We need specific files, dates and subjects of records or documents. "Any and all or not limited to" requests cannot be processed. The FOIA requires us to provide a reasonable, nonrandom search for records, we do not perform research.

The FOIA office does not answer questions, it provides agency records. Please note under the FOIA:

"When determining the scope of a FOIA request, courts have generally held that agencies are not required to answer questions posed as FOIA requests, nor are they required to respond to requests by creating records..."

We ask that you identify specific records or documents you are requesting no later than August 6, 2019 or we will assume that you are no longer interested and will administratively close your request.

Please reference case number DLA-LANDM-2019-003356 in any correspondence.

Sincerely,
Tyler J. Stewart
